Black Lives Matter Resolution

BECAUSE we at the Universalist Unitarian Church of Joliet value our first principle honoring the inherent worth and dignity of all people, and our seventh principle respecting the interdependent web of all existence of which we are a part; and
BECAUSE we are a justice-loving people and believe that justice is won by speaking out against injustice; and,
BECAUSE in our society and before our eyes, Black people disproportionately experience harassment, brutality and tragic court decisions due to individual and systemic racism; and,
BECAUSE Black Lives Matter is currently the leading action and education movement against racial injustice;
BE IT RESOLVED that the Universalist Unitarian Church of Joliet make public our support of the Black Lives Matter movement by posting a sign on the Jefferson Street side of our building or property; and
BE IT FURTHER RESOLVED that our congregation engage in educational and racism awareness activities; and
BE IT FURTHER RESOLVED that our congregation "show up" for community events such as Black Pride Parade and the Martin Luther King Jr. celebration.
